Rematted Glass Cobalt

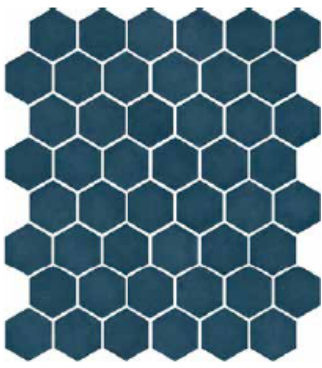

Rematted Glass

Matte tiles are great for many reasons, from design aesthetic to the ease of cleaning. The matte finish gives a natural texture optimal for wet areas.

With the added durability of recycled glass, Rematted Glass is pool rated for use in swimming pools, walls, floors, backsplashes, and more.

OLYMPIA

Stone has been used time and again in Greek art and architecture to honor the gods, celebrate beauty, and impress the public. Named after the Greek gods, Olympia's daphne white stone uses natural greys and browns to bring depth and movement.
