PAINTBRUSH GLASS

Create an exquisite artisan style with our hand painted glass!
Featured above: CEGIPBGRY1P Gray

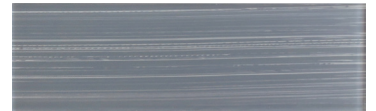

Our Enchanting Impressions Collection features handpainted artisan glass for a modern and contemporary style. Vibrant glass and stone products are ideal to inspire your next project and bring any dream to life. Perfect for adding your individual touch on walls, backsplashes and showers.

Enchanting Impressions encompasses the modern day lifestyle with bold and elegant designs. Transform your setting into a different atmosphere and make it stand out from all the rest. The art of tile is brought to view in various illuminating metals, stunning glass, and exquisite stone.

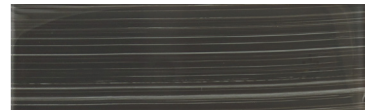

Disclaimer : Since there are variations in all glass, porcelain and natural products, the tile supplied for your particular installation may not match samples of these products. Final color selection should be made from actual tile and not from tile samples or color reproductions.
